Tires Recycled & Reused for: Playground Safety, Horse Arenas & Crumb Rubber

February 10, 2016

To Whom It May Concern:

This letter is to certify, that West Coast Rubber Recycling is a California Manufacturer, which solely relies on waste tires that we collect in California and divert from the California waste stream. We thereby certify, that all of your products are manufactured from 100% California waste tires and that the information provided is true and accurate.

Sincerely,

  
Cameron Wright  
President
